Vice Admiral S. H. Ingersoll
President, Naval War College
Newport, Rhode Island

Dear Admiral Ingersoll:

I appreciate very much your letter of 25 May 1960 in which you requested Dr. Scoville to address your Naval Warfare Course on 30 September 1960. Dr. Scoville is the Head of my Office of Scientific Intelligence, and he has indicated he would be very glad to give a lecture on Soviet Science and Technology. I suggest that any further detailed arrangements be made directly with Dr. Scoville.

Sincerely,

Allen W. Dulles
Director
